

The Parker Women's Club is happy to announce that its recent food drive throughout Parker has resulted in a donation of more than **560 items** to the Plano Food Pantry.

This pantry serves people in need in both Plano and Parker.

The Plano Food Pantry is directed by Parker resident Sharon Macduff.

Our thanks to Parker residents for their generous donations, which **exceeded last year's food drive total by more than 130 items!**

Special thanks to Parker PD's Chief Brooks and Captain Price for coordinating a generous food donation from their department, and for helping to deliver all the food!
