TEXAS PLEDGE: Councilmember Cindy Meyer led the pledge.

**PUBLIC COMMENTS** The City Council invites any person with business before the Council to speak. No formal action may be taken on these items at this meeting. Please keep comments to 3 minutes.

Mayor Pettle read the following residents' emails into the record:

- Randy Kercho, 5009 Edgewater Court, expressed concern regarding item #2 on tonight's agenda on possibly postponing the City's General Election to be held on Saturday, May 2, 2020 and moving it to November 3, 2020 to elect a Mayor and Two (2) Councilmembers At-Large. (See Exhibit 1 – Randy Kercho's email, dated March 21, 2020.)

## INDIVIDUAL CONSIDERATION ITEMS

1. CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON THE MAYOR'S DECLARATION OF LOCAL DISASTER FOR PUBLIC HEALTH EMERGENCY; ORDER; AND SOCIAL DISTANCING RECOMMENDATIONS. [PETTLE/OLSON/SHELBY]

Councilmember Taylor arrived.

Council noted the declaration should mirror Collin County's declaration and Mayor Pettle has the authority to cancel and/or shorten, if needed.

MOTION: Councilmember Abraham moved to authorize the Mayor's Local Disaster for Public Health Emergency Declaration. The declaration activates the City of Parker Emergency Management. (See Exhibit 2 – City of Parker, Texas Mayor's Declaration of Local Disaster for Public Health Emergency, dated March 24, 2020.). Councilmember Meyer seconded with Councilmembers Abraham, Meyer, Smith, Standridge, and Taylor voting for the motion. Motion carried 5-0.

Mayor Pettle asked that each Councilmember receive a copy of the declaration as soon as possible and it be posted to the City's website and bulletin board.

2. DISCUSSION, CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON ORDINANCE NO. 790, POSTPONING THE GENERAL ELECTION TO BE HELD ON SATURDAY, MAY 2, 2020 AND MOVING IT TO NOVEMBER 3, 2020 TO ELECT A MAYOR AND TWO (2) CITY COUNCIL MEMBERS AT-LARGE; AUTHORIZING THE MAYOR TO EXECUTE A GENERAL ELECTION CONTRACT FOR ELECTION SERVICES WITH COLLIN COUNTY; PROVIDING FOR THE ORDER AND NOTICE OF THE ELECTION; FINDING AND DETERMINING THAT THE MEETING AT WHICH THIS ORDINANCE IS PASSED WAS NOTICED AND IS OPEN TO THE PUBLIC AS REQUIRED BY LAW AND PROVIDING AN EFFECTIVE DATE. [SHELBY]

MOTION: Councilmember Taylor moved to adopt Ordinance No. 790, postponing the General Election to be held on Saturday, May 2, 2020 and moving it to November 3, 2020 to elect a mayor and two (2) city council members at-large; authorizing the mayor to execute a general election contract for election services with Collin County; providing for the order and notice of the election; finding and determining that the meeting at which this ordinance is passed was noticed and is open to the public as required by law and providing an effective date. The motion died for lack of a second.

Council discussed why the election should and should not be postponed. After further deliberation, concerns regarding difficulties getting and retaining elections workers, Collin County not being able to assist in their normal contracted capacity, lack of training for changing election workers on the newly implemented voting equipment, and health concerns of election workers, staff, and citizens, Council reluctantly came to the decision the May 2, 2020 General Election may need to be postponed.

Michael Slaughter, 3400 Bluffs Lane, expressed concern regarding postponing the May 2, 2020 General Election to November 3, 2020. However, he noted he understood many will weight in on the topic and he would support the decision made by the Mayor and City Council. (See Exhibit 3 – Michael Slaughter's email, dated March 19, 2020.)

Terry Lynch, 5809 Middleton Drive, expressed concern regarding postponing the May 2, 2020 General Election to November 3, 2020. However, she noted our Elections Administrator Bruce Sherbet laid out a reasonable case to proceed with his recommendation to move the City of Parker election to November 3rd. and support this change. (See Exhibit 4 – Terry Lynch's email, dated March 19, 2020.)

Councilmember Edwin Smith, 6704 Overbrook Drive, also expressed his concern regarding postponing the May 2, 2020 General Election to November 3, 2020.

There was additional discussion of the City's ability to provide a safe, cost effective General Election with Collin County limited contractual services, due to COVID-19 pandemic. (See Exhibit 5 – Collin County Elections Administrator Bruce Sherbet's email, dated March 18, 2020.) (See Exhibit 6 - State of Texas Director of Elections Keith Ingram's Election Advisory No. 2020-12, dated March 18, 2020 – Actions for May 2, 2020 Uniform Election Date.) (See Exhibit 7 – Texas' Governor Greg Abbott's Proclamation, dated March 18, 2020.)

MOTION: Councilmember Taylor moved to adopt Ordinance No. 790, postponing the General Election to be held on Saturday, May 2, 2020 and moving it to November 3, 2020 to elect a mayor and two (2) city council members at-large; authorizing the mayor to execute a general election contract for election services with Collin County; providing for the order and notice of the election; finding and determining that the meeting at which this ordinance is passed was noticed and is open to the public as required by law and providing an effective date. Councilmember Meyer seconded with Councilmembers Meyer, Standridge, and Taylor voting for the motion. Councilmembers Abraham and Smith voting against the motion. Motion carried 3-2.

Subject: Mayoral & Council May Election

Lee,

Received notice that a City Council Special Meeting will be held on March 24, 2020 in which one of the topics will consist of the following:

*CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON ORDINANCE NO. 790, POSTPONING THE GENERAL ELECTION TO BE HELD ON SATURDAY, MAY 2, 2020 AND MOVING IT TO NOVEMBER 3, 2020 TO ELECT A MAYOR AND TWO (2) CITY COUNCIL MEMBERS AT-LARGE*

As I may be unable to attend the meeting, I wanted to provide the City Council with my stance on the above subject matter. Some of the unfortunate consequences of COVID-19 has been the cancellation of meetings, social distancing and delay of elections & voting. In the past, candidates for City Council have had the opportunity to both canvas the city in a door to door manner to reach out to citizens of Parker to express their desire to represent them on Council and communicate where they stand on various issues impacting the city currently or anticipated in the future. The Candidates have also generally been afforded the opportunity to attend a City-wide forum to answer questions posed to them and express their thoughts in a face to face manner. Given these opportunities for the Candidates to present themselves are not currently available due to restrictions imposed by COVID-19 guidelines, I would be in favor of postponing the election for Mayor and City Council seats for the City of Parker until November 2020. However, if such election is postponed I would also recommend that the "Term" of the office be slightly shortened so that it ends on the date that it would have otherwise had the election been held in May 2020.

Please feel free to read and / or include this email as part of the scheduled Special Meeting on the 24th of March.

Sincerely,

Randy Kercho

## **ORDER OF THE MAYOR OF THE CITY OF PARKER, TEXAS**

**Summary:** The virus that causes 2019 Coronavirus Disease (COVID-19) is easily transmitted through person to person contact, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle the influx of new patients and safeguard public health and safety. Because of the risk of the rapid spread of the virus, and the need to protect the most vulnerable members of the community, this Order encourages citizens to avoid community gatherings of 10 persons or more anywhere in the City of Parker beginning at 6 p.m. on March 24, 2020, and continuing so long as the Emergency Declaration authorized by the Parker City Council remains in effect, as defined by Section 3 herein. For all other gatherings, the City of Parker, the Office of the Collin County Judge, and the Health Authority strongly recommend following the social distancing protocols attached to this Order, including canceling, rescheduling, or not attending events with more than 10 persons. Additionally, the City of Parker, the Office of the Collin County Judge, and the Health Authority strongly urge high-risk individuals, as defined by the Centers for Disease Control and Prevention (CDC), to cancel, reschedule, or not attend events that will have or will likely have 10 or more people.

**UNDER THE AUTHORITY OF TEXAS GOVERNMENT SECTION 418.108, I, LEE PETTLE, MAYOR OF THE CITY OF PARKER, TEXAS, HEREBY ORDER THE FOLLOWING:**

1. Effective as of 6 p.m. on Tuesday March 24, 2020, and continuing so long as the Emergency Declaration authorized by the City Council of Parker, Texas remains in effect, public or private Community Gatherings (as defined in Section 3 below) are prohibited anywhere in the City of Parker, Texas.
2. In addition, the City of Parker, the Office of the Collin County Judge and the Collin County Department of Health and Human Services ("Health Authority") strongly recommend canceling, rescheduling, or not attending events with more than 10 persons. The City of Parker, the Office of the Collin County Judge, and the Health Authority strongly urge organizations that serve high-risk populations to cancel gatherings of more than 10 people. These recommendations are based on the social distancing practices attached to this Order as well as the "Implementation of Mitigation Strategies for Communities with Local COVID-19 Transmission" issued by the United States Centers for Disease Control and Prevention ("CDC"). The City of Parker, the Office of the Collin County Judge, and the Health Authority urge people to not attend non-essential gatherings during the duration of this Order in order to help slow down the spread of the COVID-19 virus.
3. Definitions:
  - a. For purposes of this Order, a "Community Gathering" is any indoor or outdoor event or convening, subject to the exceptions and clarifications below, that brings together or is likely to bring together ten (10) or more persons at the same time in a single room or other single confined or enclosed

space, such as an auditorium, theatre, stadium (indoor or outdoor), arena or event center, meeting hall, conference center, large cafeteria, or any other confined indoor or confined outdoor space.

- b. An outdoor "Community Gathering" under this Order is limited to events in confined outdoor spaces, which means an outdoor space that (i) is enclosed by a fence, physical barrier, or other structure, and (ii) where people are present and they are within arm's length of one another for extended periods.
  - c. This Order also does not prohibit gatherings of people in multiple, separate enclosed spaces in a single building such as a multiplex movie theater, school or office tower, so long as 10 people are not present in any single space at the same time. This Order also does not prohibit the use of enclosed spaces where 10 or more people may be present at different times during the day, so long as 10 or more people are not present in the space at the same time. For any gathering covered by this subsection c., the City of Parker, the Office of the Collin County Judge, and the Health Authority strongly encourage compliance with the attached Social Distancing Recommendations, including providing hand sanitizer and tissues and increasing cleaning of commonly touched surfaces.
  - d. For purposes of clarity, a "Community Gathering" does not include the following so long as visitors are generally not within arm's length of one another for extended periods: (i) spaces where 10 or more persons may be in transit or waiting for transit such as airports, bus stations or terminals; (ii) office space or residential buildings; (iii) grocery stores, shopping malls, or other retail establishments where large numbers of people are present but it is unusual for them to be within arm's length of one another for extended periods; and (iv) hospitals and medical facilities. In all such settings, the City of Parker, the Office of the Collin County Judge and the Health Authority recommend following the attached Social Distancing Recommendations, and personal hygiene measures such as hand sanitizer and tissues should be provided when possible.
4. This Order shall be effective until it is either rescinded, superseded, or amended pursuant to applicable law.
5. The City of Parker must promptly provide copies of this Order by posting on the City of Parker website. In addition, the owner, manager, or operator of any facility that is likely to be impacted by this Order is strongly encouraged to post a copy of this Order onsite and to provide a copy to any member of the public asking for a copy. If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, gathering, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the remaining portions or applications of this Order.

**IT IS SO ORDERED**

  
Lee Pettie, Mayor  
City of Parker, Texas

### 1) Vulnerable Populations: Limit Outings

- Vulnerable populations include people who are:
  - 60 years old and older.
  - People with certain health conditions such as heart disease, lung disease, diabetes, kidney disease and weakened immune systems.
- For vulnerable populations, don't go to gatherings (of 10 people or more) unless it is essential. If you can telecommute, you should. Avoid people who are sick.

### 2) Workplace and Businesses: Minimize Exposure

- Minimize the number of employees working within arm's length of one another, including minimizing or canceling large in-person meetings and conferences.
- Urge employees to stay home when they are sick and maximize flexibility in sick leave benefits.
- Do not require a doctor's note for employees who are sick.
- Consider use of telecommuting options.
- Some people need to be at work to provide essential services of great benefit to the community. They can take steps in their workplace to minimize risk.

### 3) Large Gatherings: Cancel Non-essential Events

- Cancel events where 10 or more persons are likely to attend.
- Do not attend any events or gatherings if sick.
- For Events that aren't cancelled, we recommend:
  - Having hand washing capabilities, hand sanitizers and tissues available. Frequently cleaning high touch surface areas like counter tops and handrails.
  - Finding ways to create physical space to minimize close contact as much as possible.

### 4) Schools: Safety First

- Do not have your child attend school if sick.
- If you have a child with chronic health conditions, consult the child's doctor about school attendance.
- Schools should equip all classrooms with hand sanitizers and tissues.
- Recommend rescheduling or cancelling medium to large events that are not essential.

- Explore remote teaching and online options to continue learning.
- Schools should develop a plan for citywide school closures, and families should prepare for potential closures.

#### 5) Transit: Cleaning and Protection

- Increase cleaning of vehicles and high touch surface areas.
- Provide hand washing/hand sanitizers and tissues in stations and on vehicles.

#### 6) Health Care Settings: Avoid as possible, protect the vulnerable

- Long term care facilities should have a COVID-19 plan in accordance with CDC or state guidelines.
- Long term care facilities should screen all staff and visitors for illness and turn away those with symptoms.
- The general public should avoid going to medical settings such as hospitals, nursing homes and long-term care facilities, even if you are not ill.
- If you are ill, call your health care provider ahead of time, and you may be able to be served by phone.
- Do not visit emergency rooms unless it is essential.
- Visitors should not go to long-term care facilities unless absolutely essential.
- Follow guidance and directions of all facilities.

#### 7) Everyone: Do your part

The best way for all City of Parker residents to reduce their risk of getting sick, as with seasonal colds or the flu, still applies to prevent COVID-19:

- Wash hands with soap and water for at least 45 seconds.
- Cough or sneeze into your elbow or a tissue. Throw the tissue in the trash.
- Stay home if you are sick.
- Avoid touching your face.
- Try alternatives to shaking hands, like an elbow bump or wave.
- If you have recently returned from a country, state or region with ongoing COVID-19 infections, monitor your health and follow the instructions of public health officials and CDC guidance.
- There is no recommendation to wear masks at this time to prevent yourself from getting sick.

My feelings are the election should remain on May 2nd unless the situation changes drastically. We are well over a month away. It is a strong concern that we could be lost on the November general election. There are options of drive up voting or limiting the number of people who enter the voting area at a time.

The president has stated that there is a treatment that has proven to work for this virus and most restrictions are over early April.

However, with all the above I will state that I understand many will weigh in on this topic and support the decision made by the city.

Thank you for reaching out.

Uniform Election (COVID-19)

**Sensitivity:** Personal

From Bruce Sherbet:

Good afternoon,

While I don't have the authority to require the contracting entities postpone your elections to the November 3, 2020 General Election, it is my **strong** recommendation that your entity postpone your election as authorized by the attached Proclamation issued by Governor Abbott today. I share the following reasons with other elections administrators for this recommendation:

- The COVID-19 pandemic is still a fluid situation with an unknown outcome. The experts have consistently stated the situation will continue to get worse before improvement is seen. There are numerous unknowns at this time causing an extremely challenging situation for conducting a May 2, 2020 Election.
- The public unease is also present in the people that you ask to work your elections. It is a certainty that we will have some difficulty in finding people who are willing to serve as poll workers, and remember that a vast majority of poll workers fall into the senior age and are in the high risk bracket. In fact, Florida had some polling sites that were unopened because they could not get anyone to work them. We do not want to have such a scenario in Collin County.
- Collin County, as most other jurisdictions, is currently under a disaster declaration that has an unknown ending date. Part of that declaration includes "social distancing" which is extremely difficult in an election scenario. This is also the case with training. Current CDC guidelines recommend gatherings of no more than 10 people; this would make training of poll workers very difficult and maintaining CDC's guideline of 10 people would be extremely difficult in a polling site.
- The availability of buildings that some of you offered as polling sites have now been shut to the public. So even now, there is some confusion whether those buildings are still available for use as a polling location.

There will be no cost increases assessed to your entity for conducting your election in November verses May. The terms and costs agreed to under the May 2, 2020 Election Services Contract will be honored if you postpones your election to November.

The state did not provide a deadline for you to make a decision but it is imperative that I hear back as soon as possible. Please let me know your decision by Friday, March ~~18~~ 20, 2020. I understand that you may not be able to take formal action by that date, but if you can give us written guidance we can take actions to move in the necessary direction.

Thank you for your understanding concerning this matter.

Sincerely,

Dear Election Officials:

Pursuant to a [proclamation](#) issued earlier today, Governor Greg Abbott has authorized all political subdivisions holding general or special elections on May 2, 2020 to postpone their election to the November 3, 2020 uniform election date. Please be advised that a postponement of your election does not happen automatically; the governing body of the political subdivision **MUST** take an official action for such a change to be effective.

Today, our office has issued [Advisory 2020-12 – Actions for May 2, 2020 Uniform Election Date](#), providing guidance to political subdivisions seeking to move their May 2, 2020 election date in accordance with the Governor's proclamation.

We are in the middle of a public health crisis that is rapidly changing. Through this crisis, our primary concern is the health and safety of voters, election workers, and our local election officials. As the situation progresses, we stand ready to provide additional guidance regarding the upcoming elections. In the meantime, please continue to send us your questions so that we can revise and update our materials and guidance as necessary.

Please let us know if you have any additional questions or concerns. This advisory and other resources can be found on your [Conducting Elections](#) pages.

Thank you for all that you do for Texas elections.

From Bruce Sherbet:

Good afternoon,

While I don't have the authority to require the contracting entities postpone your elections to the November 3, 2020 General Election, it is my **strong** recommendation that your entity postpone your election as authorized by the attached Proclamation issued by Governor Abbott today. I share the following reasons with other elections administrators for this recommendation:

The COVID-19 pandemic is still a fluid situation with an unknown outcome. The experts have consistently stated the situation will continue to get worse before improvement is seen. There

are numerous unknowns at this time causing an extremely challenging situation for conducting a May 2, 2020 Election.

- The public unease is also present in the people that you ask to work your elections. It is a certainty that we will have some difficulty in finding people who are willing to serve as poll workers, and remember that a vast majority of poll workers fall into the senior age and are in the high risk bracket. In fact, Florida had some polling sites that were unopened because they could not get anyone to work them. We do not want to have such a scenario in Collin County.
- Collin County, as most other jurisdictions, is currently under a disaster declaration that has an unknown ending date. Part of that declaration includes “social distancing” which is extremely difficult in an election scenario. This is also the case with training. Current CDC guidelines recommend gatherings of no more than 10 people; this would make training of poll workers very difficult and maintaining CDC’s guideline of 10 people would be extremely difficult in a polling site.
- The availability of buildings that some of you offered as polling sites have now been shut to the public. So even now, there is some confusion whether those buildings are still available for use as a polling location.

There will be no cost increases assessed to your entity for conducting your election in November verses May. The terms and costs agreed to under the May 2, 2020 Election Services Contract will be honored if you postpones your election to November.

The state did not provide a deadline for you to make a decision but it is imperative that I hear back as soon as possible. Please let me know your decision by Friday, March ~~18~~ 20, 2020. I understand that you may not be able to take formal action by that date, but if you can give us written guidance we can take actions to move in the necessary direction.

Thank you for your understanding concerning this matter.

Dear Election Officials:

Pursuant to a [proclamation](#) issued earlier today, Governor Greg Abbott has authorized all political subdivisions holding general or special elections on May 2, 2020 to postpone their election to the November 3, 2020 uniform election date. Please be advised that a postponement of your election does not happen automatically; the governing body of the political subdivision **MUST** take an official action for such a change to be effective.

Today, our office has issued [Advisory 2020-12 – Actions for May 2, 2020 Uniform Election Date](#), providing guidance to political subdivisions seeking to move their May 2, 2020 election date in accordance with the Governor's proclamation.

We are in the middle of a public health crisis that is rapidly changing. Through this crisis, our primary concern is the health and safety of voters, election workers, and our local election officials. As the situation progresses, we stand ready to provide additional guidance regarding the upcoming elections. In the meantime, please continue to send us your questions so that we can revise and update our materials and guidance as necessary.

Please let us know if you have any additional questions or concerns. This advisory and other resources can be found on your [Conducting Elections](#) pages.

Thank you for all that you do for Texas elections.

**ELECTION ADVISORY****N0. 2020-12**

TO: Election Officials

FROM: Keith Ingram, Director of Elections 

DATE: March 18, 2020

RE: Actions for May 2, 2020 Uniform Election Date

---

The purpose of this advisory is to provide guidance to local political subdivisions regarding their options for any general or special elections that have been ordered for the May 2, 2020 uniform election date. Pursuant to Section 418.016 of the Texas Government Code, the Governor has issued a proclamation suspending certain provisions of the Texas Election Code and the Texas Water Code to allow all local political subdivisions that are utilizing the May 2, 2020 uniform election date to postpone their election to the November 3, 2020 uniform election date. Pursuant to Texas Election Code 31.003 and 31.004, our office has issued the following guidelines for entities that choose to exercise this authority and postpone their election to the November uniform election date.

**Effect of Postponement of Election**

- **Candidate Filings:** By postponing their election date, the political subdivision is preserving all candidate filings and ballot order actions that have already been taken. The postponement does **not** have the effect of reopening candidate filings.
  - **Deadlines related to Candidate Filings, Declarations of Ineligibility, Withdrawals or Death:** The deadlines that apply to the November 3, 2020 election would apply to all candidates who are currently on the ballot for the May 2, 2020 election.
- **Ballot By Mail Requests:** All applications for a ballot by mail (ABBM) that were filed for the May 2, 2020 election that are marked annual would apply for the November 3, 2020 election. All single use ABBMs that were submitted for reasons of age or disability would still be valid for the November 3, 2020 election. If a single use ABBM was submitted and indicated the reason for voting by mail was due to absence from the county, this ABBM would not be valid as the applicable election date has changed. However, we would recommend that the political subdivision send a letter to these voters along with a new ABBM in case the circumstances

surrounding their absence from the county are still valid or the voter is otherwise eligible to vote by mail.

- **Ballots by Mail:** If a political subdivision has already sent out mail ballots, those mail ballots that are returned would still be valid for the November 3, 2020 postponed election date.
- **Election Records:** All records, including candidate filings, applications to vote by mail, ballot proofs, and printed ballots shall be retained and preserved.
  - **Printed Ballots:** If your ballots have already been printed up, you may be able to reuse them for November. However, if you must change your ballot to reflect any corrections or changes that occur between now and November, you would treat the original ballots as you would in a traditional ballot correction and those ballots should be destroyed in accordance with Section 52.0064 of the Texas Election Code.
- **Requirement to use County Election Precincts in November 2020:** Per Section 42.002 of the Texas Election Code, county election precincts are required for all elections occurring in November 2020. You will need to work with your county election officer to determine whether you need to make any modifications to your ballot in light of this requirement.
- **Requirement for County Election Officer to contract with Local Political Subdivisions:** All county election officers are required to contract with local political subdivisions that postponed their May 2, 2020 election and that request a contract for election services or a joint election agreement with their county election officer pursuant to the Governor's suspension of certain Texas Election Code provisions.
- **Office Hours:** The relevant dates for maintaining office hours for election purposes will be based on the November uniform election date rather than the May election date. Under Section 31.122 of the Texas Election Code, those office hours will need to be maintained for at least three hours each day, during regular office hours, on regular business days between September 14, 2020 and December 13, 2020. However, these entities should post contact information for individuals to contact their office about election-related issues during the timeframe that those offices may be closed over the coming months.
- **Holdovers in Public Office:** Under Art. XVI, Sec. 17 of the Texas Constitution, the individuals who currently hold public offices that are scheduled to be on the ballot on the May uniform election date will continue to exercise the duties of those offices until the new officers take their oaths of office, following the November uniform election date.
- **Campaign Finance Filings:** Please contact the Texas Ethics Commission for further guidance on how these modified timelines will affect any campaign finance reporting requirements. Their office can be reached at (512) 463-5800.
- **Candidates on the ballot in both May and November:** For candidates that may be running for two offices (one normally occurring in May and one normally occurring in November), these candidates will not be removed from the ballot as they are separate elections that are normally not occurring on the same date.

### **Required Action by Governing Body to Move Election Date**

In order to utilize this move, the governing body of the political subdivisions holding the elections must **order** the postponement of their election to the November 3, 2020 uniform election date. The order for this official action should contain the following items:

1. A reference to the proclamation that authorizes the entity to postpone their election date, and the fact that the political subdivision is exercising this authority.
2. Confirmation that the candidate filings for the election will remain valid for the election held on the November date and that the filing period will not be re-opened for the November election date.
3. Confirmation that all ABBMs for voters that are voting by mail due to being over the age of 65 or due to disability will still be valid for the postponed election, and that ABBMs for voters who submitted ABBMs based on expected absence from the county would not be valid for the postponed election.
4. The major relevant dates for the November election, including the voter registration deadline (October 5, 2020), the deadline to submit an ABBM (October 23, 2020), and the dates for early voting (October 19, 2020 – October 30, 2020).

### **Necessary Revisions to Order of Election**

In addition, the entity will need to meet by August 17, 2020 to make any necessary revisions to the entity's original order of election. Those revisions may include:

1. The change to the date of the election;
2. Any change in location of the main early voting location;
3. Any changes to early voting dates and hours, including weekend early voting;
4. Any changes to the identity of the early voting clerk and their contact information; or
5. Any changes to branch early voting locations.

If you are holding a bond election, you may need to make additional revisions to your order of election for that bond election. If this is the case, we recommend reaching out to your bond counsel for additional guidance.

### **Securing Election Records**

All election records should be stored and secured during the postponement period. This may require your entity to use preservation methods that are similar to the methods you would use during the preservation period after the election has occurred. This includes:

- Storing returned ballots by mail in locked, sealed ballot boxes.
- Securely storing any unused ballots.
- Securely retaining any relevant election records, including candidate applications and ABBMs.

### **Voting System Equipment**

If you are leasing voting system equipment from the county or directly from the vendor, then you may need to contact your vendor or your county regarding any necessary modifications to those lease agreements or to modify your procedures and timelines for receiving that equipment.

### **Open Meeting Requirements**

The Governor has suspended and modified certain open meeting requirements pursuant to his disaster declaration. These changes include allowing the entity to establish procedures for telephonic or videoconferenced meetings of governmental bodies that are accessible to the public.

These procedures must include a process for members of the public to participate and address the governmental body in those meetings, notice to the public on the means of participating remotely, and access to the public for recordings of those meetings.

For more information, please review the applicable [documentation](#) from the Governor's Office or contact the Office of the Attorney General.

### **Update Official Websites and Notify Media**

Any entities that are exercising this authority to postpone their election date must post notice on the entity's website and should alert any local media organizations regarding this change to their election date.

The entity must also provide notice to their county election officer regarding this change, as the county is required to post the entity's notice of election on the county's website no later than the 60th day before the date of the election under Election Code 4.008. If that election date will be changing due to the entity's decision to postpone the election then the entity must provide a revised notice to the county for posting on the county's website.

If you have any questions regarding this advisory, please contact the Elections Division at 1-800-252-2216.
