SPECIAL WARRANTY DEED WITH VENDOR'S LIEN

PAGE 1

Reservations From Conveyance & Warranty:

None.

Exceptions to Conveyance & Warranty:

Post-Closing Agreement between Grantor and Grantee, dated of even date herewith, as evidenced by Memorandum of Post-Closing Agreement between Grantor and Grantee recorded in the Collin County Land Records in Collin County, Texas. The Post-Closing Agreement is expressly superior to (a) the Vendor's Lien reserved herein, and (ii) any lien or encumbrance that Grantee may grant on the Property.

Grantee is taking the Property "AS-IS" with any and all latent and patent defects. There is no warranty by Grantor that the Property is fit for a particular purpose. Grantee acknowledges that it is not relying upon the accuracy or completeness of any representation, brochure, rendering, promise, statement, or other assertion or information with respect to the Property made or furnished by or on behalf of, or otherwise attributed to, Grantor or any of its agents, employees, or representatives, any and all such reliance being hereby expressly and unequivocally disclaimed, but is relying solely and exclusively upon its own experience and its independent judgment, evaluation, and examination of the Property. Grantee further unequivocally disclaims (i) the existence of any duty to disclose on the part of Grantor or any of its agents, employees, or representatives and (ii) any reliance by Grantee on the silence or any alleged non-disclosure of Grantor or any of its agents, employees, or representatives. Grantee takes the Property under the express understanding that there are no express or implied warranties (except for limited warranties of title set forth in the conveyance section below). Grantee expressly acknowledges that no promise or agreement which is not herein expressed has been made to it and hereby disclaims any reliance upon any such alleged promise or agreement. This provision was freely negotiated and played an important part in the bargaining process for the Property. Grantee has agreed to disclaim reliance on Grantor and to accept the Property "as-is" with full awareness that the Property's prior uses or other matters could affect its condition, value, suitability, or fitness; and by acceptance of this deed, Grantee confirms that Grantee is hereby assuming all risk associated therewith. Grantee understands that the disclaimers of reliance and other provisions contained herein could limit any legal recourse or remedy Grantee otherwise might have.

In addition, this conveyance is subject to those matters set forth on Exhibit "B" attached hereto and incorporated herein.

Vendor's Lien:

It is expressly agreed that a VENDOR'S LIEN in the amount of the "Purchase Price" plus the "Tract 4 Lot Bonus" (each as defined in that certain Agreement of Purchase and Sale between Grantor, as seller, and Grantee, as buyer, dated effective as of October 16, 2014, as amended) (the "Vendor's Lien"), as well as the superior title in and to the Property, is retained against the Property, premises, and improvements until the below-described Note and all interest thereon are fully paid according to the face, tenor, effect, and reading thereof, when this Deed shall become absolute.

Assignment of Vendor's Lien (3rd-Party Lender Financing):

Lender, at the instance and request of Grantee, advanced and paid in cash to Grantor that portion of the purchase price of the Property as is evidenced by a portion of a note (the "Note") of even date herewith that is in the principal amount of \$6,500,000.00 in partial consideration for the purchase of the Property; THEREFORE, the Vendor's Lien, together with the superior title to the Property, is retained herein for the benefit of Lender and both are hereby TRANSFERRED and ASSIGNED to Lender.

Deed of Trust:

In order to secure the payment of the Note, Grantee has executed and delivered a Deed of Trust conveying title to **Dan J. Guarino**, Trustee, for the benefit of Lender.

Ad Valorem Taxes:

Ad valorem taxes for the Property for the current year having been prorated between Grantor and Grantee, payment thereof, is assumed by Grantee. Notwithstanding the foregoing, all Rollback and Supplemental Taxes against the Property, for periods before or after the date of this Deed, shall be paid by Grantee (except that if any Rollback and Supplemental Taxes on the Property were triggered before the date of this Deed by acts of Grantor, they shall be paid by Grantor). As used herein, the term "Rollback and Supplemental Taxes" shall mean any assessments or taxes that may be levied or assessed against the Property by a governmental authority for periods prior to or after the date of this Deed resulting from a change in use or ownership of the Property, or a waiver, lapse, or denial of any special tax exemption for the Property.

Conveyance:

Grantor, for the consideration and subject to the Reservations From Conveyance and Warranty and Exceptions to Conveyance and Warranty set forth above, GRANTS, SELLS, and CONVEYS to Grantee the Property, together with all and singular the rights and appurtenances thereto in anywise belonging, TO HAVE AND HOLD it to Grantee, Grantee's heirs, executors, administrators, successors, or assigns forever. Grantor binds Grantor and Grantor's heirs, executors, administrators, successors, and assigns to WARRANT AND FOREVER DEFEND all and singular the Property to Grantee and Grantee's heirs, executors, administrators, successors, and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, if the claim is by, through or under Grantor, but not otherwise, except as to the Reservations From Conveyance and Warranty and Exceptions to Conveyance and Warranty set forth above.

1. Agreement Not to Annex. The City guarantees the continuation of the extraterritorial status of the Owner's Property, its immunity from annexation by the City, and its immunity from City Property taxes, until annexed under the terms of this Agreement.

2. Development Plan. Development of the property shall be in accordance with the conceptual plan of development, which is incorporated herein by reference and attached hereto as Exhibit B (as the same may be modified from time to time by written agreement of the Owner, the Developer and the City, the "Development Plan"). All development applications shall substantially comply with the Development Plan. Owner may make minor revisions to the development plan so long as the total number of single-family lots does not exceed ninety-one (91) lots. All ordinance provisions of the City not specifically modified by specific provisions of the Development Plan and Development Standards shall be in effect and enforceable within the property as they are in the remainder of the City. No lot shall be less than one net acre in size.

3. Regulations Applicable. The following regulations apply to development of the Property ("Governing Regulations"):

- a. All regulations pertaining to the development of the Property set forth in this Agreement and all exhibits hereto (including the Development Plan);
- b. The City's current subdivision ordinance (as of the Effective Date of this Agreement); and

4. **Inconsistent Development.** Developer agrees that any development application that is submitted to the City for any portion of the Property during the term of this Agreement that is inconsistent with the Governing Regulations may be denied by the City.

5. **Annexation and Zoning.** The Parties agree that the Property shall not be annexed by the City prior to the fifth anniversary of this Agreement unless (a) the Property is no longer wholly owned by the Owner, or (b) the Owner files with the City a petition for annexation for the Property, whichever (a) or (b) may first occur. The petition to annex must be submitted within ten (10) business days after the recordation of a final plat for the Property. Owner expressly agrees and consents that the Property may be annexed, in whole or in part, by the City on the first occurring of the following:

- a. The fifth anniversary date of this Agreement has passed,
- b. The Owner does not own the Property, either through conveyance to an end buyer, or through foreclosure, or otherwise; or
- c. Failure to submit a valid final plat within the first five years after the Effective Date of this Agreement, and/or failure to timely submit a petition for annexation.
- d. Upon annexation, the City shall have all of the same enforcement rights to enforce compliance with the Governing Regulations with respect to the Property that it otherwise enjoys under the law to enforce development regulations within the City limits. Following annexation, the Parties contemplate and the Owner expressly agrees that the City will zone the Property to a zoning district ("District") that is consistent with the Governing Regulations. The City agrees, to the extent permitted by Section 212.172 of the Texas Local Government Code,, to zone the Property to a district (SF or SFT) that is consistent with the Governing Regulations. Regardless of the zoning of the Property after annexation, nothing herein shall be construed to prevent the Property from being developed in accordance with this Agreement. If the Property is zoned as contemplated by the Parties, the zoning shall be consistent with the Governing Regulations. Following annexation and zoning of the Property, any development of the annexed land may begin and shall thereafter be in accordance with this Agreement, unless the zoning of the Property is inconsistent with this Agreement, in which case Owner may, at its option, choose to develop in accordance with such zoning.

1. **Certificate of Convenience and Necessity** - The City is the holder of a water CCN that includes the Property.

2. **Water Service** - The City hereby represents that water capacity and pressures shall be available to serve the Development on the same basis as other properties within the same service area as the development. Owner agrees and acknowledges the water supply to the City and the Property is subject to the terms and conditions of the City's sole source of potable water, the North Texas Municipal Water District, and the City has no duty to provide any additional source, quantity, or quality of water to the Property than that provided by NTMWD to the City.

IV. ROADWAY SYSTEM.

2. **Hackberry Lane** - Developer will not be required to make any improvements to Hackberry Lane.

V. TERM OF AGREEMENT.

VI. COLLATERAL ASSIGNMENT BY DEVELOPER TO LENDER.

Developer shall have the right, from time to time, to collaterally assign, pledge, grant a lien or security interest in, or otherwise encumber its right, title and interest in and to this Agreement for the benefit of its Lender without the consent of, but with prompt written notice to, the City. The collateral assignment, pledge, grant of lien or security interest, or other encumbrance shall not, however, obligate any Lender to perform any obligations or incur any liability under this Agreement unless the Lender agrees in writing to perform such obligations or incur such liability, or, unless the Lender becomes the Property Owner of all or some portion of the Property. Notwithstanding the foregoing, however, this Agreement shall continue to bind the Property and shall survive any transfer, conveyance, or assignment occasioned by the exercise of foreclosure or other rights by a Lender, whether judicial or non-judicial.

VII. TERMINATION.

3. If the non-defaulting party determines that such failure has not occurred, or that such failure either has been or will be cured in a manner and in accordance with a schedule reasonably satisfactory to the non-defaulting party, or that such failure is excusable, such determination must conclude the investigation.

4. If the non-defaulting party determines that a failure to comply with a provision has occurred and that such failure is not excusable and has not been or will not be cured in a manner and in accordance with a scheduling reasonably satisfactory to the non-defaulting party, then the non-defaulting party may proceed to mediation.

5. In the event the parties to this Agreement cannot, within a reasonable time, resolve their dispute pursuant to the procedures described hereinabove, the parties agree to submit the disputed issue to non-binding mediation. All parties to this Agreement shall participate in this mediation. The parties must participate in good faith, but in no event must they be obligated to pursue mediation that does not resolve the issue within two (2) days after the mediation is initiated or fourteen (14) days after mediation is requested. The parties participating in the mediation must share the costs of the mediation equally.

In addition, the City Administrator shall have the authority (but not the obligation) from time to time, to execute further releases of this Agreement with respect to specific tracts of land within the Property, if, in the sole discretion of the City Administrator, such releases are in the best interest of the City. Notwithstanding any other provision of this Agreement, any portion of the Property released from this agreement may be immediately annexed by the City, as may any portion of the Property conveyed to an “end user”.

c. Estoppel. From time to time upon written request of Developer, any assignee, any lender, or any successor, the City staff shall execute a written estoppel certificate to the person or entity making the request: (1) describing, in detail, the status (e.g., unperformed, partially performed, or fully performed) of any material obligation that is identified in the request; (2) identifying any material obligations that are in default or which, with the giving of notice or passage of time, would be in default; and (3) stating that, except as otherwise identified, and to the extent true, that to the best knowledge and belief of the City, the parties are in substantial compliance with their material obligations under this Agreement.

12. Assignment of Agreement. Any assignment of this Agreement to an unaffiliated or unrelated entity of Developer requires approval of the City, which approval shall not unreasonably be withheld. A related or unrelated assignee under this subsection shall be subject to all of Developer’s obligations as set forth in this Agreement.

13. Authority. Each of the parties represents and warrants to the other that they have the full power and authority to enter into and fulfill the obligations of this Agreement.

14. Consideration. This Agreement is executed by the parties hereto without coercion or duress and for substantial consideration, the sufficiency of which is forever confessed; and pursuant to Section 212.172 of the TEX.LOC.GOV'T CODE as to the City.

15. Binding Effect. This Agreement runs with the land and will be binding upon and inure to the benefit of the Parties and their respective heirs, executors, administrators, legal representatives, successors and authorized assigns. The City represents and warrants that this Agreement has been approved by the City Council of the City in accordance with all applicable public meeting and public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the City has been authorized to do so. Developer represents and warrants that this Agreement has been approved by appropriate action of Developer and that the individual executing this Agreement on behalf of the Developer has been authorized to do so. Each assignee, lender or successor who becomes a party to this Agreement represents and warrants that this Agreement has been approved by appropriate action of such assignee, lender, or successor and that the individual executing this Agreement on behalf of such assignee, lender, or successor has been authorized to do so.

17. Governmental Powers; Waivers of Immunity. By its execution of this Agreement, the City does not waive or surrender any of its governmental powers, immunities, or rights.

Nothing in this Agreement is intended to delegate or impair the performance by the City of its governmental functions.

18. Effective Date. The Effective Date of this Development Agreement shall be either (i) the date on which this Agreement is approved by the City Council of the City or (ii) the date on which rezoning acceptable to Developer on the adjacent 322 acres (which is the subject of Developer's application for rezoning dated January 21, 2015) is approved by the City Council.
