INDIVIDUAL CONSIDERATION ITEMS

4. CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON MEETING MINUTES FOR NOVEMBER 18, 2013. [SMITH]

Amendment – Page 3, 4th paragraph, 4th sentence - change “they” to “the”

MOTION: Councilmember Stone moved to approve the November 18, 2013 minutes as amended. Councilmember Taylor seconded with Councilmembers Stone, Standridge, Levine, Pettie and Taylor voting for. Motion carried 5-0.

5. CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON ORDINANCE 704 REGARDING A REVIEW OF A SPECIFIC USE PERMIT TO ALLOW FOR A BARN AND A PRIVATE RIDING ARENA IN AGRICULTURAL AND OPEN SPACE ZONING DISTRICT TO BE LOCATED AT 5508 GREGORY LANE, AS REQUESTED BY THE PROPERTY OWNER, JIMMY STOCKTON/GINA ANDERSON. [SHEPHERD]

In 2008, Council approved an SUP for a private riding arena at 5508 Gregory Lane. On November 18, 2013 Council held a public hearing and tabled the item.

City Attorney Shepherd stated there has been opposition to this SUP due to the lack of a single family dwelling; however, this was not a requirement of the approved SUP. The form of the ordinance presented reflects what was approved and includes a termination clause. The property is for sale and the owners are to inform any potential buyers that the SUP will have to be re-applied for and any additional conditions the Council may feel are necessary will be proposed at that time or the SUP will be terminated.

There is one correction, to the proposed document, in Section 3, last sentence delete “of”.

City Secretary read two letters, received by staff, from Mr. David Henry and Mr. John Pratt. (Exhibits 5A and 5B)

Margaret Henry, 5408 Gregory Lane - spoke in opposition to the SUP.

Tom Dickson, 2610 Gregory Lane - requested City stop any commercial uses of the property.

City Attorney Shepherd stated this ordinance will require the owners to comply with all City Ordinances immediately.

City Administrator Flanigan stated the property owner will comply with all ordinances, but will not stop the riding academy.

MOTION: Councilmember Taylor moved to approve Ordinance 704 with one correction to Section 3, last sentence deleting "of". Mayor Pro Tem Levine seconded with Councilmembers Stone, Standridge, Levine, Pettie and Taylor voting for. Motion carried 5-0.

6. CONSIDERATION, AND/OR ANY APPROPRIATE ACTION ON ZONING CHANGE REQUESTED BY WYNNE/JACKSON, INC. FOR RE-ZONING APPROXIMATELY 322.34 ACRES OF LAND LOCATED IN THE GW GUNNELL SURVEY, ABSTRACT NO. 350, AND THE THOMAS ESTES SURVEY, ABSTRACT NO. 298, COLLIN COUNTY, TEXAS FROM SINGLE- FAMILY AND AGRICULTURAL-OPEN SPACE TO SINGLE-FAMILY TRANSITIONAL WITH SPECIAL CONDITIONS. THE PROPERTY IS GENERALLY LOCATED AT THE WEST SIDE OF FM 2551 SOUTH OF KARA LANE AND NORTH OF E. PARKER ROAD. [COUNCIL]

Property owner Michael Bowen gave the City Council a presentation on the proposed development of his property. (Exhibit 6) He requested approval of the requested zoning as recommended by the Planning and Zoning Commission.

Mr. Bowen's Attorney, Art Anderson told Council that he has represented a number of developers in Parker and they were able to resolve their issues with the City. He feels the City needs a rational basis for their actions. He too requested approval of the requested zoning as recommended by the Planning and Zoning Commission.

Mayor Marshall allowed public comments.

George Bednarz, 4607 Springhill Estates Drive - Mr. Bednarz has concerns with Pecan Orchard being a point of access for the development. He also stated the right of way for the road through his development is 105 feet not 60 feet as stated by the property owner.

Mark Stachiw, 4404 Pecan Orchard Drive - Mr. Stachiw opposes the development because it does not comply with the approved comprehensive plan.

Jean Nolan, 4702 Pecan Orchard Drive - Mrs. Nolan has concerns with additional traffic on Pecan Orchard Drive and the current water situation with the addition of 100 to 200 homes.

Pat Moorer, 4902 Hackberry Lane - Ms. Moorer's property abuts the west property line of the proposed development and she stated the drainage issue in that area has not been addressed. She opposes the development because it does not comply with the approved comprehensive plan.

Steve Schrick, 4506 Springhill Estates Drive - Mr. Schrick opposes the development with lots less than 2 acres.

Karen Pritzke, 4706 Pecan Orchard - Ms. Pritzke stated there is currently a drainage problem on the west side of the property that needs to be addressed and is concerned about additional traffic on Pecan Orchard.

Sandra McGuire, 4504 Springhill Estates Drive - Ms. McGuire had called Staff earlier in the day and stated her opposition to the development.

Melody Schell, 4601 Springhill Estates Drive - Ms. Schell opposes any additional traffic on Pecan Orchard for the safety of her family. She feels people move to Parker for the larger 2 acre lots and opposes the development because it does not comply with the approved comprehensive plan.

Eleanor Evans, Hogge Road - Ms. Evans opposes the development because it does not comply with the approved comprehensive plan.

Property owner Michael Bowen stated the access onto Pecan Orchard could be an emergency access only.

Mayor Marshall stated this is a re-zoning case and Council is not currently considering the plan or plat. A portion of the property is zoned Single Family Residential and a portion is zoned Agricultural. The re-zoning request is for Single Family Transitional with special conditions.

MOTION: Councilmember Pettie moved to deny Mr. Bowen's request for re-zoning. Councilmember Stone seconded with Councilmembers Stone, Standridge, Levine, Pettie and Taylor voting for. Motion carried 5-0.

7. CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON APPOINTING ZONING BOARD OF ADJUSTMENTS OFFICERS. [FLANIGAN]

MOTION: Councilmember Taylor moved to table this item to a future agenda. Councilmember Standridge seconded with Councilmembers Stone, Standridge, Levine, Pettie and Taylor voting for. Motion carried 5-0.

8. CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON RESOLUTION 2013-432 VOTES FOR COLLIN COUNTY CENTRAL APPRAISAL DISTRICT BOARD OF DIRECTORS. [MARSHALL]

Parker has six votes to cast for the Collin County Central Appraisal Board of Directors, which may be allocated in any manner among the candidates, including all six votes for one candidate.

Mayor Marshall suggested votes be cast for Tiffany Burleson, Ronald Carlisle, Dr. Leo Fitzgerald, Wayne Mayo, Gary Rodenbaugh and Roy Wilshire.

Councilmember Standridge would like to vote for Dr. Leo Fitzgerald rather than Tiffany Burleson due to his experience on the board.

MOTION: Councilmember Stone moved to cast one vote for each candidate; Tiffany Burleson, Ronald Carlisle, Dr. Leo Fitzgerald, Wayne Mayo, Gary Rodenbaugh and Roy Wilshire. Mayor Pro Tem Levine seconded with Councilmembers Stone, Levine, Pettie and Taylor voting for. Standridge opposed. Motion carried 4-1.

9. CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON PARKER RANCH ESTATES PRELIMINARY PLAT. [FLANIGAN]

This item was tabled at the request of the developer.

Subject: Please read tonight at the City Council meeting as I am in Brazil on business/ Andersen property on Gregory Lane

Importance: High

Follow Up Flag: Follow up

I will not be able to attend the City Council meeting tonight as I am in Brazil on business, I would like for you to read this for me during tonights meeting.

I would like to ask the City of Parker to adhere to the original SUP given to the Andersen's about five years ago. I was at that meeting and recall that a home was suppose to be built I think within two years. I also recall the original barn would be an 8 stall horse barn attached to a riding arena. I would like to have the City explain who approved a 19 stall horse barn without a house or enough land to warrant that many horses. I would also like the two horse per acre rule for this property enforced immediately.

I am very concerned about my property values, and our neighborhood. My family lives here, we have made a huge investment here, and would like to keep our neighborhood the way it was when we purchased our property.

Best regards,

David Henry

This attachment given to me from my realtor and the online comments from potential buyers is proof that the property at 5508 have negatively affected the price and ability to sale both of my properties. The decision of the city to allow this property to operate and be in non compliance has cost me a very large sum of money and continues to do so with no interested parties in my remaining 6.75 acres. Based upon the fact that no one wants this facility outside their back door. The entire facility in non compliant with city by laws and should never been allowed or allowed to continue to operate and build the riding areas/barns without a house being constructed.

If I can't sell my 6.75 acres for under \$500,000 dollars with all the road frontage and \$100,000 worth of steel pipe fence, how in the world will they be able to sell their property for \$800,000 plus? With no road frontage at all? The resolve to this situation for all parties and the city and to preserve all property values on Gregory Lane is to bring this property into compliance with existing rules and regulations set forth by the City of Parker themselves. I hope all city members involved will take care of their fiduciary responsibilities that they have been sworn to uphold. I personally hold the city responsible for the negligence that has created this issue that the tax payers are currently paying to hear.

>> My name is John Pratt and up until Aug 1st my wife and I owned 5600 Gregory Lane a 16.75 acre parcel with a home. We had our property on the market for over three years with Keller Williams and needless to say we had multitudes of showings and the ongoing comment left by potential buyers was the fact of the appearance of a commercial horse boarding and training facility behind our 6.75 acre property. We would try to explain that the facility was a private riding arena for personal use and were always met with the return comment that if it was for personal use it should have a home built on the property. This is the way we understood the original permit to be when it was issued to Mr. Stockton years ago. Needless to say because of this situation it affected my investment dramatically making the property difficult to sell and had has cost me over \$100,000 to finally move 10 acres of the parcel. I still have had no luck selling the 6.75 remaining acres due to the fact that potential clients do not want the horses or the flies and the volume of heavy traffic outside the back door of their home. I am not sure what made the city of Parker abandon their by laws and code enforcement on this property and the property of Jean Veilock referencing horse to acre ratio on boarding as well as free grazing. Due to the lack of code enforcement this had already cost me a large sum of money. I feel that there will be no immediate resolve for the continual loss in my investment within the City of Parker. In closing I hope that the City of Parker will stand up and do what's right to preserve their original mission statement that enticed my wife and others to invest in this community. I ask that this be handled swiftly.

We like the elevation of the additional acreage for building a big home. They do like the area, but not all the barns and large building behind the six acres.

This is a great property for horse people and my clients are not. Everything has been really well-cared for! The house feels very 70's and we are looking for something with more updates. They weren't crazy about the large buildings behind the six arces. They want more aesthetics as opposed to the functionality of the barns, pens, etc. But, thank you for allowing us to view this home.

Option 4 - P&Z Approved Concept

PLATTING FEATURES

to meet some of resident requests:

Same as P&Z approval plus Additional changes:

1. Road connecting to the west at Pecan Orchard would be for emergency access only, a City decision.
2. Water discharge to the SW will be brought to pre-development flows, including detention if needed.
3. Grading will cause no water to flow from the lots onto Easy Acres.
4. Flood study will encompass Easy Acres and the land to the east of FM2551 (Dillehay Drive). Using Retention/Detention and green space within my property we will try to emancipate some of the land out of the 100 year flood plain. If City follows up with a new LOMR (FEMA), after our development, this might reduce some flood insurance requirements for some of the residents.
5. North/Side collector road will be a 60 feet ROW. Traffic will be encouraged to move toward FM2551.
6. All lots will follow the 1 acre lot standards.
7. Developer will “face” existing contiguous 2 acre or more lots with matching 2 acre lots.

Request for Approval

1. P&Z's approval and recommendation of 1.5 acre average lot size, with 1 acre minimums and 50 foot ROW for all roads.
2. All lots will follow the 1 acre lot standards to provide uniformity of appearance adjoining existing residents.
3. Existing contiguous residential 2 acre or more lots will have 2 acre lots adjacent to them
4. Connection to Pecan Orchard Drive to be restricted to emergency access only.
5. North/South road be 60 feet of ROW to provide for major north-south planned thoroughfare road.

AGENDA SUBJECT

CONSIDERATION AND/OR ANY APPROPRIATE ACTION ON USING A CONSENT AGENDA.

SUMMARY

Handling “Consent” Agenda Items

Agendas tend to be cluttered with uncontroversial recurring items that must be included because they require formal council approval.

Examples include council approval of the minutes of previous meetings, routine purchases, and minor fund transfers between accounts. Most of these items generate no discussion, but each uses up time by requiring a separate motion to approve, a second, and a vote. This problem can be overcome by establishing a “consent” agenda category that encompasses routine items that are approved by a single motion and a vote, without debate. (“Councilmember Smith moves the approval of items 3a, b, c, d, e, f, and g.”) If a councilmember objects to a consent item, it is removed from the list and added to the regular agenda at the appropriate spot. If a councilmember questions a consent item, but not so strongly as to require that it be removed from the list, his or her “no” vote or abstention can be entered in the minutes when the consent vote is taken. The number of consent items can range from a handful to 25 or 30 or more, depending on the council’s workload and preferences. Whatever the size, the consent agenda can be a real time-saver. One city reported that using a consent agenda had slashed the length of the average council meeting by 50 percent.

Resource: Handbook for Mayors and Councilmembers (2013 Edition)

By TML http://www.tml.org/pub_handbooks

Inclusion of an item on the consent agenda is not intended to reduce deliberation where deliberation is desired, or a question asked. For deliberation, a councilmember might request the Mayor to remove the item or items from the consent agenda. The remainder of the consent agenda may then be approved, and the item or items removed deliberated and voted on separately. In the event a councilmember simply has a question about a consent agenda item, that question may be asked. If the answer suggests deliberation is needed, the item can be removed from the consent agenda. If the answer resolves the question, the item need not be removed, and may be approved with the consent agenda. - *City Attorney Shepherd*

Consent Agenda

(1) A consent agenda contains routine items, which do not need further discussion and may be approved with one motion and vote.

(2) Generally, the consent agenda portion of the printed agenda is preceded by an explanatory note to the public such as:

"All matters listed under Item 3, consent agenda, are considered to be routine by the city council and will be enacted by one motion. There will not be separate discussion of these items. If discussion is desired, that item will be removed from the consent agenda and will be considered separately." (Note: See **Exhibit 2-C** for an example of wording to explain the consent agenda.)

(3) Usually, the council and city administration agree in advance on the general types of items that are to be included on the consent agenda.

Routine business found on consent agendas of several cities include:

- (A) Approval of license applications and bonds
- (B) Approval of minutes
- (C) Approval of payments of contracts
- (D) Bid and contract awards
- (E) Set date for hearings
- (F) Appointments
- (G) Resignations
- (H) Final readings of ordinances (that have not changed from first reading)

(4) In some cities, the actual items to be placed on each consent agenda are selected at a weekly city department head meeting. In others, the council chooses the consent items at a brief pre-council meeting or simply sets a policy for items to be included on the consent agenda. When the consent agenda is used, be sure to incorporate the consent agenda items into the minutes.

EXHIBIT 2-C

6. **CONSENT AGENDA** - All consent agenda items listed are considered to be routine by the City Council and will be enacted by one motion. There will be no separate discussion of these items unless a Council member so requests, in which event the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda. Information concerning consent agenda items is available for public review.
- (a) Approval of minutes of the special meeting of July 11, and the special and regular meetings of July 16, 2001.
 - (b) Acceptance of streets for city maintenance in the Oakwick Forest Subdivision.
 - (c) Appointment of member(s) to the Parks Board, Electrical Board, Zoning Board of Adjustment, and Construction Board of Adjustment.
 - (d) Approval of amendment to the Finance Department's Personnel Schedule in the 2001-2002 City Budget.
 - (e) Approval to terminate the collection contract with State Municipal Services for outstanding municipal court warrant fees.
 - (f) Award of professional services agreement to Geotest Engineering, Inc., for Engineering/Technical Services for Street Analysis of all streets within the City of Missouri City.
 - (g) Award contract for purchase of a folding machine.
 - (h) Award contract for purchase of a color copier.
 - (i) Award contract for purchase of a digital copier.
